

Inspections can be scheduled either through the Boise City Planning and Development, NEW Permitting and Licensing Website or call the permit desk at (208) 608-7070 to schedule.

Here is the weblink: <https://www.cityofboise.org/departments/planning-and-development-services/building/inspections/>. You will need the permit number issued by Boise PDS to schedule this inspection. This permit number will begin with the letters NAF. Cut-off times are 7:30 am for same-day (PM) afternoon inspections and 11:30am for next-day (AM) morning inspections.
